

## HEAVY HANDS

Exodus 17: 8

Then came Amalek, and fought with Israel in Rephidim.

9

And Moses said unto Joshua, Choose us out men, and go out, fight with Amalek: to morrow I will stand on the top of the hill with the rod of God in mine hand.

10

So Joshua did as Moses had said to him, and fought with Amalek: and Moses, Aaron, and Hur went up to the top of the hill.

11

And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek prevailed.

12

But Moses' hands were heavy; and they took a stone, and put it under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun.

13

And Joshua discomfited Amalek and his people with the edge of the sword.

14

And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

15

And Moses built an altar, and called the name of it Jehovahnissi:

16

For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation.

Now, as God poured out the manna there in the natural, and it lasted as long as they were in the journey: a beautiful type. And the day they entered the promised land, the manna ceased. And on the day of Pentecost, the same thing...

Look at Pentecost to Moses. They looked back and they seen the enemy was dead. Miriam grabbed a tambourine, begin to beat it, and scream, and dance, and run down the bank. The women followed her, doing the same thing. And Moses threw up his hands and sang in the Spirit.

201 Remember what, you know what a raised up hand is? In every language under Heaven, a raised hand is a surrender, a sign of surrender. When you raise your hands,

95 Someone criticized me the other day, saying, "Brother Branham, why do you say, 'Raise your hand'?" Listen, there's no one believes in an altar call any more than I do. I believe in coming to the altar; that's good; but that doesn't save you. It's your opinion,

your decision of Christ. You say, "Well, if I walk up to the altar..." That's good. But, brethren, did you realize when you raise your hand you break every scientific law there is? Your hand, by nature, by gravitation, ought to hang down. If you raise your hand, it shows there's a supernatural being in you that's able to defy the laws of nature, to raise your hand towards your Creator.

Exodus 17:14

And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

Lord, we have no holy hands to lift up. But we lift up Jesus' hands which is holy. We lift them up, Lord, as THEY DID THAT DAY TO MOSES ,And we pray that the battle will go for the Lord tonight.

ISAIAH 61:1

1 ¶ The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

132 I went up in the canyon, climbed plumb up where the eagles was flying around. I was watching some deer standing there. I knelt down to pray, and raised up my hands, and a Sword struck my hand. I looked around. I thought, "What's that? I'm not beside myself. Here is that Sword in my hand; bright, shiny, glistening in the sun." I said, "Now, there's not people in miles of me, way up here in this canyon. Where could that come from?"

I heard a Voice, said, "That's the King's Sword."

I said, "A king knights a man with a sword."

133 He, the Voice, come back, said, "Not a king's sword, but, 'The King's Sword,' the Word of the Lord." Said, "Fear not. It's only the Third Pull. It's the vindication of your ministry."

295 It was He up yonder in Sabino Canyon, about three months ago, when I was praying, wondering what was going to happen. I was standing there, and a sword dropped in my hand, and said, "This is the King's Sword." It was He.

296 It was He that said to me, "As I was with Moses, so I'll send you."

**So I started walking with my hands up praising God. It got dark. I couldn't see any longer, and the winds blowing, and twisting. And I was going up over hills and down through rough places. No matter which way He leads, keep towards Calvary. Keep looking. It may get rough. You may slip and fall, but keep going towards Calvary. Just keep moving.**

**And I got up. And I thought, "It ought to be about the height of dark now." I put up my hands like this. I knowed the wire was just about this high. I thought, "Oh, if I could only feel that wire. If I can feel that wire, is my only hope right now. I can't..." My arms would get so tired I couldn't hardly walk. I'd put this one up and rest this one walking through those bushes and around these trees and that snow in you're neck and everything. I was moving like this.**

**And I said, "God, all that's on this earth laying dear to me is at the end of that wire if I can only find the wire." And I was holding my hand like this. And I had put this one down, never move a step, move back be sure I didn't... Oh, that's the way we want to go to Calvary. Don't lose an inch. I kept my hand up, moving like this. I said, "God, surely You'll help me find it. I'm coming straight as I know right across this hill. This is the way You pointed me."**

**That's the way you say to the Word tonight, "You said You was a Healer. I got my hands up. I'm coming straight. That's the only thing I know to do. It's up to You to take me to healing. It's only You to lead me to the sacrifice."**

**And here I had my hands up; it was late. I was moving along. I was beginning to get just a little faint in heart. I think, "Oh, have I crossed over it?" I went in a few low places. I thought, "Oh, I'm not going down the other side of the mountain, surely." And I kept my hand up like this, moving along through them bushes, and not a ray of light nowhere, and the storm ripping, and blowing, and twisting, it real cold, ice freezing and everything. There was snow and rain mixed together or fog.**

**And I was moving like this and hitting my hand. First thing you know, I caught something. I felt it. It was the wire. Oh, what a feeling. I had... I knowed when I held on to that wire... I thought, "I'll go right down this hill moving slowly. And I'm moving slowly. I'll never take my hand off that wire, for at the end of this wire lays what I'm asking for, where my wife and baby's laying at the end of this telephone wire. I'll not let my hand loose from it. I'll follow it right on through till I..." And I did it, and arrived there to find there was a little fire built down there and everything all right.**

**Brother, tonight Jesus Christ is a very present help in the time of trouble. If you're sick, and the doctors can do no more for you, raise up your hand. Look up to God until you touch that little live electric wire yonder, that says, "It's finished." No matter how many unbelievers, and doubters, and churches and everything else you have to bypass, hold on to it, for it's the One that leads you to you're deliverance.**

**God bless you. Keep your hands up. Keep moving tonight. Hold your hands till you catch the wire. Hold your hands of faith up till you feel something touch you that says, "It's finished." Then follow that. Follow that. "It's**

**finished." You've got His Word, said He will lead you to victory. You... By faith you can be healed. Anybody that believes can be healed. Hold your hands up till you feel the faith of God pouring in you. Then follow that. The Lord is our strength and refuge, a very present help in the time of trouble. Shall we pray.**

**Father, there is an emergency on tonight to the people. And You're the Lord our strength and a very present help in the time of trouble. O God, may hands of faith lift up tonight, spiritually speaking. Not just the natural arms, physical, just a few inches long, but, Father, may that arm of faith go up that'll go beyond this old sin-cursed world, that line of faith that'll reach beyond the moon and stars, until it touches His garment up yonder.**
