**E-20** And she said, "I want to tell you something, Brother Branham." She said, "I passed by and seen your meetings. I seen it advertised and I went in." Said, "I'm simply ashamed of myself." She said, "What would you believe if I told you that my father was a Methodist minister?" Said, "I got two daughters. Both of them are Sunday school teachers."

I said, "What happened?" She told me about a letter from her husband, and he run off with another woman. She started in drinking, and started off... **And she said, "I know I'm past redemption, strictly a legalist. You see? And I said... Said, "I'm past redemption."**

I said, "No, you're not. No, you're not."

She started crying. She said, "Brother Branham, you think I'm not past redemption?"

I said, "Why did He say that to me then a few minutes ago?" I took her by the hand, knelt down there on the floor, and there she gave her life to Jesus Christ.....

### **ROMANS 2:14-15**

**15** Which shew the work of the law written in their hearts, **their conscience also bearing witness**, and their thoughts the mean while accusing or else excusing one another;)

### **ROMANS 9:1**

### **54-0722 WHATEVER.HE.SAITH.UNTO.YOU.DO.IT CHICAGO.IL THURSDAY**

**E-23** .....we have to watch what you're doing. When a patient comes, be careful. **Sometime there's sin laying there.** And if--if this person... Here stands Mr. John Doe. He went out, a few months ago; **he was untrue to his family. He did something evil, and God let Satan put a curse on him to bring him back.** Now, here he comes up on the platform, and I stand here and anoint him with oil: "Come out of him, devil." **I might just scream as all till I get hoarse, and that devil will lay right there.** Certainly, he will.....

### **53-1107 HOW.THE.ANGEL.CAME.TO.ME OWENSBORO.KY SATURDAY**

**E-47** .....Now, that settled it. But as long as that sin was under there, no matter how loud you scream, how hard you stomp, how much oil you pour on, how loud you pray, or how easy you pray, or whatever you do, that devil will stay right there.

**'Cause he has a legal right, as long as you got unconfessed sin. That's right.**

And you'll watch on the platform... You seldom here me say something about, "I cast out this devil." **I have to see first whether it's the will of God to do that first. I'll pray for the person, but never call over that demon.**

## **II CORINTHIANS 7:8-9**

**8** For though **I made you sorry with a letter**, I do not repent, though I did repent: for I perceive that the same epistle hath made you sorry, though it were but for a season.

**9** Now I rejoice, not that ye were made sorry, **but that ye sorrowed to repentance: for ye were made sorry after a godly manner**, that ye might receive damage by us in nothing.

### **Guilt has Physiological and Psychological Effects**

The psychological effects can include something bad, **such as feeling of worthlessness or inferiority**. Guilt can also serve in a positive way as a motivator. A person may suffer physiological effects such as insomnia and physical pain.

There are negative physiological effects caused by guilt. **Guilt can make someone over responsible**. They will think that **life has to be perfect, and will do everything to try to please everyone**. It may make someone over conscientious so that they may neglect their needs to avoid affecting others with the negative consequences of an action. **Oversensitivity** becomes a problem, as one becomes obsessed with every aspect of right and wrong in the making of a decision.

### **60-0304 THIRSTING.FOR.LIFE PHOENIX.AZ FRIDAY**

**E-57** .....Just think, friends, see that thirsting in you. Have you given that over to the enemy? to the things of this world? Have you just tried to satisfy that with, say, "Well, I'll go downtown and buy new clothes. I..." That isn't it. You need--maybe you need new clothes. That's legitimate. **But when you just make that your idol of how you must be so spic and span all the time**. Maybe it's your home.....

### **Lack of Guilt in Psychopaths**

Psychopaths lack any true sense of guilt or remorse for harm they may have caused to others. Instead, they rationalize their behavior, blame someone else, or deny it outright. This is seen by psychologists as part of a lack of moral reasoning (in comparison with the majority of humans), an inability to evaluate situations in a moral framework, and an inability to develop emotional bonds with other people.
