MOSES.COMMISSION 50-0110

E-30 030 You'll see come to this platform, little old crippled, twisted children. You'll see them stand here all misformed and out of shape. And you'll see it with your own eyes, see their hands and arms come straight and walk off the platform, normal children. You'll see people come here that's all kinds of conditions, and see them healed and leave the platform. What is that? That's the down payment; that's the earnest, to know that that person someday, if they stay under the Blood of Christ, will receive a immortal body. Cancer ridden, blind, deaf, and dumb... It's the earnest of our salvation.

FELLOWSHIP MN 56-0212

E-40 040 The full Gospel people because they accept signs and wonders, but be careful where it comes from, must come from the Lord. Remember the antichrist is going to do the same thing. There's only one way that you can be sure. That's get under the Blood. Stay under the Blood. That's God's way. You're hid away then; the devil couldn't get to you if he had to.

Now, if the Shepherd's laying at the door, the devil would have to cross Him first. He can't do it. That's right. Come into this secret place with the Lord. Job, knowing that no matter what come or went, he still stayed right with it. Israel's only place in the Old Testament where they ever had fellowship was under the shed blood. No matter where people was, they come up through the temple where the blood was shed and there they had fellowship with each other there under the shed blood, no other fellowship nowhere else. When he come into the temple the first thing he did, come up, be cleansed by the washing of the water, a separation from the outside come under the seven streaks over the door, showing that something died to go before you, seven streaks of blood, then into the fellowship. By faith are you saved, through grace. That's right, but then by one Spirit, we're all baptized into one fellowship, the Body of the Lord Jesus, and partakers of His blessings, in that marvelous fellowship.

YOU.MUST.BE.BORN.AGAIN. 61-1231M

187 121 When you're borned again, God vindicates you. That's how God vindicates all of His nature. What? By their fruits. That's the way He vindicates His ministry. That's right. All of His servants are vindicated the same way He vindicates nature. How do you know it's a peach tree? 'Cause it bring peaches. How do you know it's an apple tree? Bearing apples. How do you know it's a Christian? Christian signs bear from it; Christian life comes out of it. How do you know he's a teacher? The Word comes from him. How do you know he's a prophet? The Word comes through him, bears record, vindication. It proves itself. How does it become that? When it dies and becomes one. That's right. When we die and become a new creature in Christ Jesus, it gets us with our calling; we stay with our calling. The fruits of the Spirit follow us when we are His servants. When we are borned again, the fruits of Christ's Life follows us. That's right. How do you know it's a peach tree? It's got peaches. How do you know he's a Christian? He acts like Christ; he walks like Christ; he talks like Christ; he lives like Christ, above sin, victorious. What does he do, say, "See what I done"? Christ didn't do that. He gave all praise to the Father. That's right. That's how you know it. By their fruits

you shall know them. What must... "Verily, verily, I say unto you, except a man be born again he cannot even understand the Kingdom of God."

GOD'S.WAY.MADE.FOR.US. 52-0900

142 055 I followed up another man, here not long ago, where they talk about a lot of this. Said, "He went to one city and he had five thousand conversions." We followed right behind it (not me), a group of ministers, and took the cards and followed them back again, and in thirty days time they couldn't find thirty that claimed to be saved. You know what I think? I think it's conviction instead of conversion. When a man is born again of the Spirit of God... What we need today is not a protractive meeting, but an old fashion, God-sent, Holy Ghost revival: an old-time, sky-blue, sin-killing, Blood-washed religion. Amen. Makes you take them tire tools back and do repentance. That's right.

BALM.IN.GILEAD 61-0218

E-43 043 Now, "Go, tell him, he's not coming off of that bed. THUS SAITH THE LORD, he's not coming off of the bed. He's going to die on the bed," and he did.

So when the messengers come back down to King Ahaziah, he said--Ahab's son, so he said to him, he said, "What are you doing back so early?" He said, "We met a man up there that said, tell you, "THUS SAITH THE LORD, why'd did you send over there for? Is there no prophet in Israel to consult? Isn't there no God down here in Israel, you have to send over there to the heathens?" In other words, Ain't there enough joy in the church? Why do you stay home on Wednesday night to watch television? Is there no joy in the church no more, Nothing in your heart that longs to hear the Word of God more than it likes to see "We Love Suzy," or ever what them things are that you stay home to see? What's the matter? Pastor's never asked me to say this; I'm just telling you the truth. What's the matter with the church? That's exactly what's wrong. If you people say, "Well, our pastor..." Our pastor nothing. You line up with God, and he will have to or he'll get

out. That's right. Let the church line up. That's right. Just stay with the Word. Have you lost all the joy, the Gospel don't sound to you like it used to? There's something wrong then. If that love of God isn't above everything else, that your heart when that church bell rings, you're heart just burns...

IT.BECOMETH.US.TO.FULFILL. 61-1001M

134 057 It was becoming to Daniel, because he was a prophet, that he stayed with the Word. Any true prophet that knows the Word of God, that... If he don't know the Word of God, then he's not a true prophet. A true prophet stays with the Word. Whatever the Word says, they stay right with It. No matter what the trend of the day, or what the--the modern church says, or what someone else says, or somebody else does something else, the true prophet stays right with the Word.

IT.BECOMETH.US.TO.FULFILL. 61-1001M

136 058 And Daniel knew, that if he stayed with the Word, what it cost him. It's going to cost him his popularity. It was going to cost him his fellowship with the rest of the brethren. It was going to cost him a lot of things. But they made an issue, that, they was going to pray to a certain god, then after that they could go back and pray to any god. But you know, something about God, we don't compromise with God. There's no compro--compromising, with God. God just stays God. He don't expect us on Sunday to be Christians, praising Him and worshipping Him, and on Monday, wishy-washy and take it down, and all kinds of thoughts, that, "Maybe I was wrong, and I ought to have done this or that." We stay right centered on God's Word, and lay right to It.

IT.BECOMETH.US.TO.FULFILL 61-1001M

138 059 So we find that, Daniel, it was becoming to him, as a prophet to stay with the Word, regardless. So there was a degree out, and said, "That whosoever will worship any other god, besides the god that they had selected..." In other words, "If you don't cooperate with us, we'll just throw you into the lions' den." Well, it was becoming to Daniel; it was becoming to him that he fulfilled all righteousness, that he worshipped no other god, or entangled himself with the world; only to God only. So he just threw back the shutters and threw up the sash, and opened up the curtains, and looked out towards the east, and prayed three times a day, just like he always did. Why? Not slip off somewhere and hide to do it, but he opened up the windows, let anybody see, that wants to. He wasn't ashamed of his religion

139 060 **Because** it's **becoming** to a **Christian** not to be **ashamed** of your **religion**. As Paul of old said, "In the way that's called heresy (crazy), that's the way I worship the God of our fathers." See? "I'm not ashamed of the Gospel of Jesus Christ," he said, "for it's the power of God unto salvation to everyone that believes it." That's right. Not ashamed of the Gospel, it's the thing that holds in the hours when the ship is a-rocking and every star's out of sight, and the moon and stars, and storms a-blowing. It still holds, for it's the Gospel of Jesus Christ.

Daniel was faithful. It was behooving to him.

SPEAK.TO.THIS.ROCK 53-1115

E-39 039 Here some time ago, standing in this, Chicago, where they shot this famous gangster... There his blood was laying on the street. You'd watch the people when they'd bled out on the street, the people walking by and walking... Be sure they didn't step in their comrade's blood. No, no, they wouldn't step in human blood. But every day they drink and carry on, and cuss, and everything else, walking over the Blood of Jesus Christ. That's right. Yes, sir.

It's a shame; it's a disgrace the way this world treats Jesus Christ. And yet not... It's a religious world that's doing it. That's what hurts. It's the people that's supposed to be. And that's what Christ said, "The antichrist would be so close it would deceive the very elect if possible." Notice, then when the lamb was killed, and the blood put on that... Look, a perfect sign of the cross. See? And every one that come under that blood was supposed to stay under it, until the orders were given to march on.

E-40 040 I'm not much for a backsliding condition, are you? No, sir. Stay under the blood. And everyone went under the blood, and they stayed there until orders to come. I can hear some of the young girls down there, they--they say... The girls, of Israelite girls, they were getting ready. The other girls come by and say, "Say, come on out; we're going to the--the certain thing tonight."

"No, no, can't go out."

"Why?"

"We're under the blood. We can't go out. We got to stay here; this is orders."

"Oh, that old foggy religion that your mother and dad belongs to. What's blood got to do with it?" It's got a whole lot to do with it. It made the difference between life and death. That's true.

"That old religion your mother and dad's got, get away from it." You've heard that young folks.

Let me tell you if your mother and dad's got the Holy Ghost, and a good old fashion saint of God, you listen to them. That's right.

E-41 041 They was under the blood. And the first thing you know along about midnight, there become a very strange feeling, unrest.

Did you ever notice amongst the people today? Oh, they can't sit still a minute. No, people just can't. See? They're at too much unrest. What is it? Why, it's perfect, the coming of the Lord.

You go out here on the street and talk to any bootlegger, or whatever he might be on the streets of the city, and wherever he might be where--wherever, everybody tells you there's something wrong. If we had a... They know. And you listen to my word's, it isn't going to be long till there won't hardly be one smooth place left in a city in this nation. That's right. We're headed for it, brother.
