25 Then I was looking and thinking about that word "thirst," so I looked up in the dictionary, to see what it means. And here is what Webster says, "It's a painful desire," a painful, when you want something so bad until it becomes painful to you.

26 Now, it's--it's not an unnatural thing, to thirst. Thirst is a--a natural thing. It's just simply something that God has given us,

that we could, to give us a--a desire for something. Sometimes God has, also, has given you a--a control tower,

something that sets inside of you, that--that controls these different desires. And this thirst, this control tower that sets in a man's heart, is something that God give him to--to warn him of the desires that's needful for him.

27 Now there is two different kinds of thirst. There is a thirst, physically. And there is a thirst, also, spiritually. I would like to read this, what David said, again. My soul thirsts for God, for the living God.

28 Not some historical, or some something that happened some years ago, or--or some tale that someone told; but, "for the living God," a God that's ever present. And his soul thirsted for that God, not for some historical something.

29 Now we find, God gives the control tower to you, to give to you the things that you need. Now, the control tower in you is what directs you.

And this thirst runs in on this co-. . . tower, control tower, and tells you what you have need of, spiritually speaking. The control tower in the body, and in the soul, also. There is a control tower in the body,

that tells you the need that's needed in your body, and it's brought to you by thirst. Also, there is a control tower in your soul,

that tells you the spiritual things that you have need of, something in your spirit, and, and you by this can tell what kind of a life is controlling you.

30 When you--when you can see what your desires are, then you can tell, by that, what kind of something that's in you, that's creating this desire that you have.

See, there is a certain thing that you thirst for, and it--and it can tell you in your soul what this desire is, by the nature of the thirst that you have. I hope that you can understand that.

31 There is a--a control tower of the soul, and one for the body, and each tower is a warning caller for the needs of the other.

Each one calls to the need for what the caller is calling for, it sends out a wave of warning.

32 For instance, the--the flesh thirst to satisfy the desires that's in the body, and the spirit desires for the things that's in the soul, desire is, and many times these war one against the other. We find there,

what's a great trouble today, that too many people try to live between those two desires. For, one of them desires the things of the earth, the other desires the things of Heaven.

66 There is also a thirst for success. So many people today, how we school for this thirst! We just noticed, they started the university up.

And we go down there, and people spend thousands of dollars to send their children to the school, and--and to universities and colleges, and so forth, to get an education, "To be successful," they call it, "in life. "

But now I have nothing against that, now, that's all right. But, to me, you could get all the schooling in the world, and still you haven't found the right success. That's right.

Because, that will just temporarily make things a little easier for you here. And there is. . . But when you die, you leave all that behind you, and this entire economy that we have.

73 It's like a young man and a young woman. Now, it's not unnecessary or not (I mean) unnatural for a young man and a young woman to--to love one another. It is a thirst for love.

It's their age, and they--they love one another. And it's not unnatural, that's just a natural thing for them to do that.
