13 And of Joseph he said, Blessed of the LORD be his land, for the precious things of heaven, for the dew, and for the deep that coucheth beneath,

Jarchi says, "there was not in the inheritance of the tribes a land so full of all good things as the land of Joseph;" typical of the church of Christ, the antitypical Joseph, which abounds with all good things through him, or of the better country in heaven:

GENESIS 27:28

28 Therefore God give thee of the dew of heaven, and the fatness of the earth, and plenty of corn and wine:

DEUTERONOMY 33:14

14 And for the precious fruits brought forth by the sun, and for the precious things put forth by the moon,

Dr. Frank Brown of Northwestern University performed research over a ten-year period of time, keeping meticulous records of his results. He found that plants absorbed more water at the time of the full moon.

He conducted his experiments in a laboratory without direct contact from the moon, yet he found that they were still influenced by it.

John Jeavons, author of "How to grow more vegetables..." adds the influence of the increasing or decreasing moonlight on the growth of plants. When the moon is in it's waxing phases the " increasing amount of moonlight stimulates leaf growth",

and " as the moonlight decreases the above ground leaf growth slows down. The root is stimulated again. "

Further tests have been conducted, most notably by Dr. Frau Kolisko in Germany in 1939, and by Maria Thun in 1956. They primarily experimented with root crops, showing the effect of lunar phases on seed germination.

They found maximum germination on the days before the Full moon. Crop yields were reported by weight.

Thun was surprised to discover that the signs of the zodiac played its' part as well. Thun experimented with a variety of crops: carrots and parsnips represented root crops;

lettuce, spinach and corn salad as leaf types; beans, peas, cucumbers and tomatoes as fruit seed types; zinnias, snapdragons and asters were air crops.

Crops responded well when planted in the appropriate sign for their type of plant.

Plants sown in the correct combination of the best lunar phase and sign show increased vigor, due to having all the best influences.

They are growing at an optimum rate and are not as prone to setbacks that would affect less healthy plants. Harvests are often quicker, larger and crops don't go to seed as fast.

1082-95 And this person that's in you, which is your birth. . . You are John Doe; you were born in a certain month, and you were borned under a certain star;

you were borned under a certain thing, and that has something to do with you. Certainly does.

1082-97 I know I used to. . . Papa used to say, "I can't plant them potatoes at this time, because the moon isn't right. You can't plant them potatoes, Billy. "

And I said, "I'm not planting them in the moon; I'm planting them here in the ground. " Said, "All right, smart aleck, go on. You get a few bumps on your head and you'll learn something. " I did. I did.

I tell you: take a board and lay it down out there on the grass in the dark of the moon and watch what happens. That grass will die right now. Lay it on the light of the moon; you can let it lay there a week; it won't hurt it a bit.

1083-100 Watch that sea when that moon changes yonder. When the tide--when the moon goes out, the tide follows it out, and it's millions of miles from the earth.

Not only that, go down here in the state of Kentucky and sink a rod down in the ground till you get into the salt water; and watch that pipe, how deep it is when the moon--when the tide's in and watch how it goes out, plumb across under the earth.

Certainly. You plant something that spreads out on top of the earth. In the dark of the moon watch it go right down and make it like a radish or turnip will.

You plant it back the other way and watch it spread out on top the earth. Sure, it's got something to do.

1083-102 Why did Aaron have on his breastplate the birthstone of each one of those patriarchs? Look at those mothers when they give the utterance.

When them mothers and them Hebrew women in labor giving utterance to those children being born, it placed their name; it told their birth; it put them in the homeland; and set them over to eternity.

One of these days when I come in and stay a little time, I want to take that subject. Exactly. And then watch Jacob, when he was dying there, when he laid his hands upon the patriarchs and blessed them, he was telling them exactly where they would be.

And that's exactly according to their name, and exactly according to their birth. And sure, it has something to do with you.

1083-104 Now, that's your birth path; that's what you are, a natural man or natural woman. But when you're reborned again, that's not the outside conscience.

The outside is what you see, taste, feel, smell, and hear, but the inside of that is what you really are. Now, this out here, Satan

just tempts you and knocks you around every way here; but down here he can't do it unless you let him do it.

For in here you've got faith, and faith don't come from the outer conscience, it reasons. But in faith there's no reason. You've got it from God, and you know it's there. I don't care how much it looks wrong, you still know it's right;

t's THUS SAITH THE LORD. See? And there's nothing going to bother that. Nothing can bother that; it's moving right straight on. Difficult means nothing to it; wades right on through it, for It's the Word. And the Word's the Sword, and the Word cuts.

The Sword cuts Itself free from everything else. You see? Takes the hand of faith to hold that Word. That faith's got to be.

DEUTERONOMY 33:15

15 And for the chief things of the ancient mountains, and for the precious things of the lasting hills,
