

WHAT IS THY BELOVED MORE THAN ANOTHER? IV

SONG OF SOLOMON 5:9

9 ¶ What is thy beloved more than another beloved, O thou fairest among women? what is thy beloved more than another beloved, that thou dost so charge us?

SONG OF SOLOMON 5:10

10 My beloved is white and ruddy, the chiefest among ten thousand.

SONG OF SOLOMON 5:11

11 His head is as the most fine gold, his locks are bushy, and black as a raven.

SONG OF SOLOMON 5:12

12 His eyes are as the eyes of doves by the rivers of waters, washed with milk, and fitly set.

[STOP]

JOB 38:4

4 ¶ Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.

JOB 38:5

5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?

Earth at a Glance:

**How old is
Earth?**

About 4.55 Billion years

Where are we?

Earth is in the [Solar System](#), on the outer edge of the [Milky Way](#), about 28,000 light years from the galactic center (Source: [European Space Agency](#)). It takes the solar system 225 million years to make one full trip around the Milky Way.

What is the closest major galaxy?

[Andromeda](#), about 2.3 million light years away.

How old is the [Milky Way](#)?

About [13.7](#) billion years. It was created right around when our Universe was born.

[Home System](#)

Earth belongs to the [Solar System](#), which is filled with planets, moons, dwarf planets, asteroids, comets and other space objects. But we only have one sun.

[Earth's Sun](#)

The [Sun](#) is a medium sized, yellow star. Scientists call it a G2 star. It is the largest object in the solar system and contains 99.8 percent of the solar system's mass. It is located in the center of the solar system.

Earth's average distance from the sun.

About 92.96 million miles. Earth is the third planet from the Sun.

When is the Earth farthest from the Sun?

The sun is 94.4 million miles (152 million km) from the Earth around the first week of July. This is called **Aphelion**.

How fast does the Earth move around the Sun?

107,300 km/h (or if you prefer 67,062 miles per hour) That is about 30 km (18.4 miles) per second.

How long does it take the Earth to orbit the Sun?

It takes Earth 365.2422 days to orbit the sun. For three years, there are 365 days in the year, and then leap year is 366 days.

How fast does the Earth spin?

About 1,674.4 km/1070 miles per hour at the **equator**.

How long is each rotation (spin) of the Earth?

It takes the Earth 23 hours, 56 minutes and 4 seconds to make one complete **360 degree** rotation.

Rotational Tilt

23.5° on its axis, a straight line through the planet from the North Pole to the South Pole.

Gravitational Pull

Earth's gravity is the force that pulls objects toward the center of the Earth and is measured by the Earth's mass. Gravity is what gives objects their weight. Without gravity, the Earth's spin would fling everything on the planet out into space!

How much does the Earth weigh?

5.972 sextillion metric tons. That's 5,972,000,000,000,000,000,000 tons! Scientists call this measurement the Earth's mass. You can only weigh something if there is gravitational pull on another object. And the Earth can't pull on itself!

JOB 38:6

6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof;

JOB 38:7

7 When the morning stars sang together, and all the sons of God shouted for joy?

THE.HAND.OF.THE.LORD.CAME.UPON.HIM_ LOUISVILLE.KY
SATURDAY_ 54-0403

E-37 Woman said one time, said, "Billy, I understand that you got some of that new kind of religion."

I said, "What kind's that?"

She said, "Oh, you know, them people that shout and going on like that."

I said, "A new kind? Why," **I said, "that's the only kind, and the oldest religion there is."**

"Oh," she said, "Why, we never--used to never hear about that."
"Why," I said, "About God spoke to Job one day, and He said, 'Job, where was you when I laid the foundations of the world? Tell me what they're fastened onto?' Said, 'When the morning stars sang together and the sons of God shouted for joy...'"

A hundred million years before the world was ever formed, they had shouting religion. Amen. Then talk about something new. Why, it's the oldest there is, and the only kind there really is. Yeah, it's old fashion, heartfelt, sky blue, sin killing religion. Brother, it don't whitewash you; it washes you white from the inside out. Yes, it does. Make you do things you didn't think you ever would do.

BEGINNING.AND.ENDING.OF.THE.GENTILE.DISPENSATION_
JEFF.IN SUNDAY_ 55-0109E

E-47 **See, we come out of eternity. We was before there was a world.** Did you know that? God made man in His own image. "Where was you," He said to Job when Job thought he had some wisdom. Said that, "Where was you when I laid the foundation of the world--before I laid it? When the sons of God sang together and the morning star shouted for joy." The morning star shouted for joy. **Them shining ones shouted for joy when they seen that someday through a tabernacle here on earth,** and the King Melchisedec would come in the righteousness of God and give His Life to redeem us to God back again, and outshine the stars forever and ever.

"Where was you when I laid the foundation of the world? Declare where they're hooked at. Tell me what they stand upon." Said, "Gird up yourself; I want to talk to you like a man." And Job fell on his face like a dead man. He couldn't stand it. God was there. There you are. "Where was you when I laid the foundations of the world?"

THE.SERPENT'S.SEED_ JEFF.IN V-2 N-4 SUNDAY_ 58-0928E

1-1.....As we are taught in the blessed Word, that **we had fellowship with Him before the foundation of the world,** when the morning stars sang together, and the sons of God shouted for joy, way back before the foundation of the world.

How do we know that that wasn't at the same time that the Lamb was slain; that when **God in His great thinking seen us shouting and rejoicing in our salvation through Jesus?**

And tonight we're only got a foretaste of that great glory Divine which shall be revealed at His second coming.....

SPIRITUAL.AMNESIA_ BIRMINGHAM.AL SATURDAY_ 64-0411

89 Notice, and He is in me, and I in Him. Notice, then, every Christian that's a real genuine Christian--Christian, **was with Him, "When the morning stars sang together and the sons of God shouted for joy,** before there was a foundation of the world." We were identified in the immortal realms with God, **ten million years before the world was ever formed. I was back there with Him.** If I got Eternal Life, I was there with Him. I was identified with Him, "When the morning stars sang together and the sons of God shouted for joy."

90 I was with Him when He called Abraham at the age of--of seventy-five years old, and his wife being sixty-five, and told him they were going to have a baby. I was with him when he took his stand upon THUS SAITH THE LORD, "I'm going to have the baby." I stood with him. Every other Christian stood with him. I was with him when his temptations come. I was with him when he went up on top the mountain, to offer up Isaac. I was with him when the ram appeared.

JOB 38:8

8 Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?

PSALM 33:7

7 He gathereth the waters of the sea together as an heap: he layeth up the depth in storehouses.

Massive ‘ocean’ discovered towards Earth’s core

A reservoir of water three times the volume of all the oceans has been discovered deep beneath the Earth's surface. The finding could help explain where Earth's seas came from.

The water is hidden inside a blue rock called ringwoodite that lies 700 kilometres underground in the mantle, the layer of hot rock between Earth's surface and its core.

The huge size of the reservoir throws new light on the origin of Earth's water. Some geologists think [water arrived in comets](#) as they [struck the planet](#), but the new discovery supports an alternative idea that [the oceans gradually oozed out of the interior of the early Earth](#).

"It's good evidence the Earth's water came from within," says [Steven Jacobsen](#) of Northwestern University in Evanston, Illinois. The hidden water could also act as a buffer for the oceans on the surface, explaining why they have stayed the same size for millions of years.

Pinging the planet

Jacobsen's team used 2000 seismometers to study the seismic waves generated by more than 500 earthquakes. These waves move throughout Earth's interior, including the core, and can be detected at the surface. "They make the Earth ring like a bell for days afterwards," says Jacobsen.

GENESIS 7:11

11 ¶ In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all **the fountains of the great deep broken up**, and the windows of heaven were opened.

GENESIS 8:2

2 **The fountains also of the deep** and the windows of heaven were stopped, and the rain from heaven was restrained;

PROVERBS 8:27

27 When he prepared the heavens, I was there: when he set a compass upon **the face of the depth**:

PROVERBS 8:28

28 When he established the clouds above: when he strengthened **the fountains of the deep**:

JOB 38:8

8 Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?

JOB 38:9

9 When I made the cloud the garment thereof, and thick darkness a swaddlingband for it,

MATTHEW 8:26

26 And he saith unto them, Why are ye fearful, O ye of little faith? Then he arose, and **rebuked the winds and the sea**; and there was a great calm.

MATTHEW 8:27

27 But the men marvelled, saying, **What manner of man is this**, that even the winds and the sea obey him!

EARTH'S OCEANS

Oceans cover about 70% of the Earth's surface. The oceans contain roughly 97% of the Earth's water supply.

The Earth's oceans are all connected to one another. There are five oceans: the Pacific, Atlantic, Indian, Southern, and Arctic. There are also many seas (smaller branches of an ocean); seas are often partly enclosed by land. The largest seas are the South China Sea, the Caribbean Sea, and the Mediterranean Sea.

Ocean	Area (square miles)	Average Depth (ft)	Deepest depth (ft)
Pacific Ocean	64,186,000	15,215	Mariana Trench, 36,200 ft deep
Atlantic Ocean	33,420,000	12,881	Puerto Rico Trench, 28,231 ft deep
Indian Ocean	28,350,000	13,002	Java Trench, 25,344 ft deep
Southern Ocean	7,848,300	13,100 - 16,400	the southern end of the South Sandwich Trench, 23,736 ft (7,235 m) deep
Arctic Ocean	5,106,000	3,953	Eurasia Basin, 17,881 ft deep

JOB 38:10

10 And brake up for it my decreed place, and set bars and doors,

PSALM 104:5

5 Who laid the foundations of the earth, that it should not be removed for ever.

PSALM 104:6

6 Thou coveredst it with the deep as with a garment: the waters stood above the mountains.

PSALM 104:7

7 At thy rebuke they fled; at the voice of thy thunder they hasted away.

PSALM 104:8

8 They go up by the mountains; they go down by the valleys unto the place which thou hast founded for them.

PSALM 104:9

9 Thou hast set a bound that they may not pass over; that they turn not again to cover the earth.

PSALM 104:10

10 ¶ He sendeth the springs into the valleys, which run among the hills.

JOB 38:10

10 And brake up for it my decreed place, and set bars and doors,

JOB 38:11

11 And said, Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?

JOB 38:12

12 ¶ Hast thou commanded the morning since thy days; and caused the dayspring to know his place;

JOB 38:13

13 That it might take hold of the ends of the earth, that the wicked might be shaken out of it?

JOB 38:16

16 Hast thou entered into the springs of the sea? or hast thou walked in the search of the depth?
