E-32.....Jesus died to heal us. Every one of you is healed. Every one of you is healed right now. Jesus has already healed you; you just have to confess it and believe it. That's right. By His stripes you were (past tense) healed. That's when He did it at Calvary. That's when He overcome all sickness and sin and all, at Calvary, for you. Just like a table set, it's there. Only thing you have to do is go eat. You have to ACCEPT IT, BELIEVE IT in your heart, and CONFESS IT. And He's the High Priest of your confession.

AT.THY.WORD.LORD\_ WOOD.RIVER.IL SUNDAY\_ 54-0221

E-32 Now, He cannot heal you, or cannot save you, or do one thing for you, until first you ACCEPT it, and BELIEVE it, and CONFESS it. That's right. You've got to confess it. Not, you got to feel it, you got to confess it. He's not the high Priest of your feelings; He's the high Priest of your confession (That's right.), what you confess.....

A.SUPER.SENSE\_ JEFF.IN V-20 N-7 SUNDAY\_ 59-1227E

155 Look, let me just say this again, just for a minute. Jesus passed by a tree one time, and it was a fig tree. And He looked at the fig tree. Now, please, don't miss this. He looked at the fig tree, and there was no figs on it. And He said... He cursed the tree and said, "No man eat from thee."

The disciples looked around; tree looked like it always did. An hour from then it still looked the same. God never opened up the earth and swallowed it up. God never sent a forked lightning out of the skies and burnt it to a charcoal. He could've done it, sure He could. He never did those things.

What did happen? The tree had been cursed. The faith of God had placed against that tree's life. There was nothing physical you could see. But way down beneath the earth, down in the roots of the tree, death was setting in. It'd been cursed. The sixth sense had come against it. It had to die. It started dying from the roots.

A.SUPER.SENSE\_ JEFF.IN V-20 N-7 SUNDAY\_ 59-1227E

158 That's the same thing taking place with a cancer; that's the same thing takes place with a tumor; that's the same thing takes place with any disease when that sixth sense of power of

the Lord God raises up against it. Said, "Satan, come out of there." You might not see no physical condition happen right away, but there faith holds there just the same. It's been cursed. That sixth sense won't--that super sense won't let it go. It won't pay attention to how you feel, how you look, how you act. It won't have one thing to do with it. God's Word's been applied. The sixth sense takes ahold of It. That's all. She goes to work; the cancer begins to dwindle away. It dies from the roots, and it's gone.

A.SUPER.SENSE\_ JEFF.IN V-20 N-7 SUNDAY\_ 59-1227E

159 By this same forceful sixth sense kingdoms has crumbled, lapped one wall against another. By this sixth sense the Red Sea pushed back and a dry ground made a way for a children of God to escape on. By this same sixth sense Samson defied a thousand Philistines armed with armors and spears. He had no way to defend himself, but the jawbone of a wild mule. That sixth sense went to work, and he beat down a thousand Philistines.

Hallelujah.

By this sixth sense the dead's been raised. By this sixth sense mighty miracles has been performed. It's the most powerful force that ever hit the earth, is that super sense, called the sixth sense.

....Your fifth sense of thinking lays within your brain, but your sixth sense lays in your heart. You believe with your heart. Confession is made by the mouth. You believe with your heart. Yes, sir, that sixth sense, that powerful force...

A.SUPER.SENSE\_ JEFF.IN V-20 N-7 SUNDAY\_ 59-1227E

178 Here not long ago, Billy and I was going down the road, driving. Some colored boys come down the road, and they were driving fast, and they'd sideswiped a car and turned around and around and around, and throwed boys all over the road; and one little fellow was pinned under the car with his back laying against the car. The boys jumped out and started to raise it up. He said, "Oh, please don't, my back is breaking. Don't. You'll kill me. You'll kill me. Don't do it."

And they said, "Oh, we've got to get it off of you; it's catching afire." Said, "Let..."

"Don't move it, you're mashing me to death. Don't do it. Don't do it."

I hollered under there, "Son, are you a Christian?"

He said, "No, sir."

I said, "You'd better pray."

He said, "Yes, sir."

The sixth sense went to work, walked right around behind the car, and I'll never know till the judgment, but all of a sudden, that car flicked over and was off of him, and he jumped up and was all right. What was it? "A present Help in the time of trouble."

THE.GREAT.SHINING.LIGHT\_ JEFF.IN V-24 N-1 SUNDAY\_ 57-1222

141 When you said, "Mountain, be moved," and it still stands there, you say, "Well, it didn't happen?" Oh, it did happen. When you said, "Mountain, move," maybe one little significant grain of sand turned loose out of the hundreds of billions and billions of tons. One little grain moved, but it's begin to take place. Hold that faith and watch that mountain disappear. Certainly.

Thou shall say in thy heart, "Disease, move from my child. Disease, move from my body in the Name of the Lord Jesus," and don't doubt. Right there the good germs take on a new armor and a new weapon, and the enemy begins to back up. He's defeated because Christ, in the drinking of His myrrh at Calvary, defeated the devil and every one of his powers. And He stripped him of everything he had, and he's nothing but a bluff; he can go through with it, he will do it.

We are determined by God's grace to preach the Gospel and reflect His Light until He comes.

The battle is raging, and You promised and said how the enemy would be like a roaring lion. He is loose among the people, and we can see it everywhere, like a roaring lion devouring what he may, because he knows his time is short. It's in the bank. It was deposited at Calvary. Your salvation, the baptism of the Holy Spirit, you're worries, and things gone. E-12 Now, many times it turns dark around the patient. I know death's laying there. And I just say, "The Lord bless you." Or, "I pray that God will heal you." And--and send them on off the platform. For I don't know what it will be. 'Cause sometimes God could pronounce death on a person, and then their prayer could change the thing. Do you believe that? It did for Hezekiah, didn't it? When God told the prophet, "Go tell him he's going to die, and not come off his bed." He turned his face to the wall and wept bitterly. And God spared his life fifteen years after death had been pronounced by God. Prayer is the most powerful weapon was ever put in the hand of mankind. "The prayer faith shall save the sick."

E-4.....in the vision, the Lord told the woman what her troubles was, and what she had did, and--and then after it was over, she said she believed. And now, that's all right. You watch that (You see?) and said, "The Lord bless you, and may the Lord heal you," we don't know, yet. But then all of a sudden it changed and come back with, "THUS SAITH THE LORD." That's the vision seeing what's going to

be. One sees what has been. The other one sees what's going to be. And many times I see death, but I never say nothing about it, unless I know it's going to happen. Because sometimes death could be pronounced on you, and yet, prayer could change that. Do you know that? It was done in the Scriptures.

But if it's your faith, "Oh, yes, I got it right now"; and even your subconscious rolling back here, saying, "I wonder if it'll work on me." It--it won't do it right then. See?.....
