THE.SUPER.SIGN_ SHREVEPORT.LA V-17 N-7 FRIDAY_ 63-1129

119 Notice, God said, "And your seed," the seed of Abraham now, "would possess the gates of its enemies." **He would take the gates, possess the gates.** He promised it. Now, his natural seed did just that. All of Abraham's natural seed was the prophets that come after him.

120 **There was Moses,** Abraham's seed, and, when he did, he came to the gate, in a line of duty. He come to the gate of the Red Sea, after teaching the children of Israel of the promised land that God had promised. He was God's prophet. He had been manifested before the people, as God's prophet.....

.....And then, right in the line of duty, he come up against something that he knowed not what to do, that was the Red Sea. Well, what happened? The seed of Abraham was promised to possess the enemies' gates. **So when the Red Sea become a gate that he couldn't come through,** God moved upon the scene and took the gate and went away with it, and Moses walked across the sea on dry land. **His seed possessed the gate.**

55-1 See his attack? Watch. Listen close as closing. His attack is what? Disbelieve God's Word; that's his attack. There, can you see the greatest battle that's ever fought? There's only two forces: Satan and God. **And what's Satan's weapon against you? Is to try to get you to disbelieve your Weapon. He disarms you.** Let's--let's listen real quiet now, listen. If he can get you to disbelieve, your Weapon is equivalent; **if he gets you to believe that your Weapon is not strong enough, he's disarmed you.** Oh, Brother Neville, I hope you never disbelieve that. Look. He disarms you, when he gets you to disbelieve that Weapon. **When you lay That down, that finishes your fight; you're done.** Hold that Weapon; don't you lay It down.....

GOD.COMMISSIONING.MOSES_ JONESBORO.AR FRIDAY_ 53-0508

E-32 I see him look down at his little old wife, her ragged sleeve, about naked. He looked at his little children; their faces were pale, starved to death. Now these big old, husky Philistines come in and take what they have got, they'll sure starve through the winter.

It's about like the little church today, brother, pale, anemia. What we need is the courage and the Word of God. Stand out there, let them old robbers come up, run them away.

Now, Shamgar said, "Now looky here, I know I'm not a warrior, I can't fight, and there's six hundred men. What am I going to do?" I can see him pace back and forth. He didn't know what to do. Coming closer, tromp tromp, tromp... A few minutes all of his oats would be gone; all the wheat and corn would be gone, everything he had laid up. His family would be starved. Everything he had done would be taken off over into that big enemy country there, given away to the enemy.

GOD.COMMISSIONING.MOSES_ JONESBORO.AR FRIDAY_ 53-0508

E-33 Then the first thing you know, God begin to move on him. I like that. **He begin to get angry. My, he looked around, he thought, "Oh, my. I'm an Israelite.** I'm circumcised, and that's an uncircumcised Philistine coming up there. I'm not a soldier. I ain't got time to go out here and take some lessons and learn how to duel, and how to fight. **But I tell you, God's my god. So he just reached up there and got an old ox-goad.** You know what an ox-goad is? A little old thing had a brass knob on the end of it, you beat the cattle through the corral with. He reached up there and got that ox-goad. **He didn't have time to train to be some kind of a fighter. The emergency was at hand; he had to do it then.**

CONVINCED.AND.THEN.CONCERNED_ CHICAGO.IL MONDAY_ 62-0521

E-43 God gave the promises. And when God gave the promise to--to Abraham, and to... **He said he would possess the gate of his enemies.** And so, Shamgar believed that. And look at the

odds against him. God only needs one man. **Just let Him get one man in his hand.** The world will think he's crazy, but he will drive home the Gospel, when he's thoroughly convince that Jesus Christ remains the same yesterday, today, and forever.....

CONVINCED.AND.THEN.CONCERNED_ CHICAGO.IL MONDAY_ 62-0521

E-44 What if Shamgar had said, "Now, wait a minute. I've got to wait till... I see them coming, **but I better go away to school a little while, and learn how to make a denominational creed duel--duel with them.**" No. If he had done that, that's all he would've knowed. So he would've never done the job with his dueling.

He just took God at His promise, that he would possess the gate of his enemy. And he stood there with that ox goad, what was in his hand, and chopped his way through to victory (Amen.)

JUDGES 16:2

2 And it was told the Gazites, saying, Samson is come hither. And they compassed him in, and laid wait for him all night in the gate of the city, and were quiet all the night, saying, In the morning, when it is day, we shall kill him.

JUDGES 16:3

3 And Samson lay till midnight, and arose at midnight, and took the doors of the gate of the city, and the two posts, and went away with them, bar and all, and put them upon his shoulders, and carried them up to the top of an hill that is before Hebron.

57 And, a prophet, He was, but He was more than a prophet. He was a prophet, plus. And there had many prophets. All prophets died at the gate of death, but this Man took the keys, "death, hell, grave," **like Samson did the gates of Gaza, took it out; took the sting and death itself,** and swallowed up in victory, and rose up on the third day, triumph, makes His

believers more than conquerors. It's already conquered. **There is nothing left to do but walk right straight in with the victors' song in our hearts.** He is the great triumph One, and this great One was more than a prophet.

JUDGES 9:53

53 And a certain woman cast a piece of a millstone upon Abimelech's head, and all to brake his skull.

E-37 When you get this Spirit in you, then the--the burdens of life becomes light. You don't notice them anymore. The yoke is lined with feathers. They become so easy. And then the people pile things on you... You know what? **You're like Samson at the gates of Gaza, who picked up the big brass gate and packed it up on the hill.**

And when you get to a place that the Holy Spirit has you, not you the Holy Spirit, but the Holy Spirit has you... **You say, "I got the Holy Ghost." I don't think that should be said. You must say, "The Holy Ghost got me."** And then when the Holy Ghost gets you, the burdens, the yoke is easy. Then you pick up the big gates of Gaza and pack them straight to Calvary. And there on Mount Calvary you lay them at the feet of Jesus and pray for your enemies, not with a grudge, "Lord if You'd bust him open." No, but with something within your heart that, "Dear God, that man is a man like I am." You see what's lacking in the church, friend?.....

E-58.....I can see Him. Let's look at Him a moment. I can see Him setting on His throne (Oh, my.), His priestly robes all around Him. **I can see coming to His right, a noise.** What is it? Let's call It Gabriel, the great Archangel, run up to the side of Him, pulled His sword, said, "**Master, have You looked down in Babylon?** Three true believers are meeting their end. Have You beheld them? I've obeyed You all since You created me. Let me go down; I'll change the scene just in a few moments." I believe He could, don't you? Yes, I believe He could.

Said, "Lord, let me go down, Master." I can hear Him say, "Gabriel, You've been a good Angel. Since the day I created You, You have obeyed Me. But I just can't let You go." **I can see Gabriel put His sword back into the sheath, take--stand attention to His side.** Oh, my. Everything in the heaven obeyed Him. That's right. E-60 Look, coming to the left, here comes another Angel. Look at Him. God has ministering Spirits, Angels. I believe on this One right here now not far. And He stood... What is His name? Wormwood: Bitter waters. I can hear Him say, "O Master, have You looked down into Babylon. Let me go down there this morning. You gave me the keys in the antediluvian destruction. I poured the waters over the earth." You know of... Woodworm has it, controls of all the waters of the earth, the Bible says. And there He says, "I'll go down and wash

Babylon off the face of the earth." I believe He could've done it, don't you? Yes, sir. "Oh," He said, "Master look down there." I can hear Him say, "Woodworm, You have been a good Angel. You did obey Me and break up the springs of the deep, and so forth, and destroyed the world in the days of Noah. But I just can't let You go." **I can see Woodworm taking His place again and stand at attention.**

Oh, brother, if He was considered about three, He's considered about three thousand here tonight too. His eye is on the sparrow. **He knows right now what you have need of.** He knows why you've come to this meeting tonight.

I can hear Him say, "I can't let You go, You fellows, because I'm going Myself." Oh, my. I can see Him rise. You think I'm crazy, don't you? You're going to call me holy-roller anyhow, so you might as well go do it. Notice. I love Him. I owe my life wrapped in Him. I see nothing but Him.

I can see Him rise from His throne, His garments drop around Him, gets out there. And way back over in the north country, I see a big thunderhead. I can hear Him say, "Come here." Oh, my. I can hear Him say, "East wind, West, North, and South, come here." Everything minds Him. That's right. I can hear Him say, "Go over there and get under that thunderhead, and roll it over here. Here comes the East, North, South, and West winds, go under this big thunderhead. **And here it comes, churning up at the side of the throne.** I can see Him step off on that. Oh, my. branch. **They made their last step, trusting God's Word. And about the time they stepped in, there was One like the Son of man, standing by their side (Hallelujah. Yes, sir.), with a palm, fanning away.** Even with hot breezes down, talking with them.

When king Nebuchadnezzar opened the doors, said, "How many did you put in?"

Said, "Three."

Said, "There's four. And one looks like the Son of God."

He's the same yesterday, today, and forever. His powers cannot fail. He cannot. God is in His Son. Yes. You believe that? God is in His peoples. **God is here tonight.**

And they threwed them into a super fire het seven times hotter than it ever was het. And there was a supernatural sign of a supernatural God standing in the fire, supernaturally saving them. Amen. What did they do? **They possessed the gates of the furnace, their enemy.**

PROVING.HIS.WORD_ JEFF.IN V-9 N-6 SUNDAY_ 64-0816

135 **Now, He took the heat right out of the blaze of the fiery furnace, to prove that His Word was so,** that He could deliver from the fire. Right in among those blazes, where those children was throwed in there, and stayed in there a long time, when even the man that throwed them into it, the intense heat of the--of the furnace killed the great soldiers that was leading them up there. And God let the fire burn right on, but He took the heat out of it. **He proves! If you stand by Him, He'll stand by you.** Stand by you? Well, sure! An hour later, they opened the door, and said, "Say, how many did you put in there, anyhow?" Said, "We see three we put in there." He said, "There's four in there, and one of them looks like the Son of God." See, He shows! Cause why? He is the Word.

136 And they said, "God is able to deliver us from that fiery furnace, but, nevertheless, we're not bowing to any image,

because we're standing by the Word." Any image, form of religion, get away from it. God will stand by you. He will take the heat out of the persecution. He will take the--the life out of the cancer. E-34 There was another one down there named Daniel: Abraham's seed. What happened to it? He stayed true to God. He knowed that he was the seed of Abraham. He knowed he was doing right. They threwed him into the lion's den. And a supernatural Light (a animal is afraid of light, you know) so, a supernatural Light, a supernatural Angel came down by a man that believed in supernatural. And supernatural delivered him.
