E-25.....And then if your number is called tonight in the prayer line, and if God reveals your heart and speaks to you, and gives you deliverance here; **don't you never have no kind of a testimony, only that He healed you.** 'Cause if you do, if you

one time testify to the o--to the other side, **the negative side, it'll come back to you worse than it ever was.....**

14 Let him that's weak say, "I am strong." See? Just say in you heart that "I am now strong. I have now accepted Jesus as my Healer," and **never have any negative testimony any more**, just believe it, God is under obligation, or Jesus Christ is--sitting at the right hand of the Father to accept you; for He's setting there the High Priest **of your confession to make good before the Father anything that He died for, that you're confessing that He done. There you are.....**

E-9 Now, healing is not something that you just say, "Well, I... yeah, I believe it. I believe it." Now, that's all right. If that's the best you can do, just mentally, or just say, "Well, I... Yes, I--I see it. I believe that; I accept it." Then if you accept it on those basis, **keep saying it over and over. Say it out loud. Say it over and over; just keep saying, "I'm healed. I'm healed." Say it until actually you believe it.** And when you believe it, then it's going to take place.

Don't have a negative testimony. Every time when you confess, "Well, I still feel bad today. I guess I..." you go right straight back in the same rut that you was in the beginning. There's not a man or woman in here that is baptized with Holy Spirit but what would start your confession, "I believe I've lost

the Holy Spirit. I believe It's gone from me. I believe I..." you'll go right down;.....

E-18No matter how you're feeling, if you--if you go to your feeling, then you're certainly going to... If you get back to that, every time that you have **a negative testimony**, every time that you look at your symptoms, then you're fallen right then.

There's not a Christian in here, no matter how solid you are in faith, if right now that you, something happened to get a hold of you and tell you that you're not a Christian, and you start out testifying, **"Well, I'm not a Christian no more," you dropped right then. You're no more a Christian any more.** As soon as you testify that you're not a Christian, then you've dropped from grace right then. You've fallen, because (see?) **your-your own--your own speech tells what you are. You've got... It's a... Faith acts every time.**

LAW_ CHICAGO.IL SATURDAY_ 55-0115

18.....Now, it's a strange thing that this is so much thought of people; they say, "Well, I'm weak; my faith is not very much; I'm not a very good Christian." **That's just what the devil wants you to say. You're just talking his language right then.** See? You mustn't never say that. Don't never let your testimony be negative; let it be positive

all the time. "I am saved. I have God in my heart. I believe Him with all my heart." Do you believe in Divine healing? "With all of my heart."

Let your--your testimony always and your thoughts, everything... Never permit a negative thought to come in your mind if you can help it. When it starts that, **don't entertain it.** Well, you say, "I can't help the thoughts from coming." Well, that'll be like the farmer that said he couldn't stop--he couldn't stop the birds from flying over his place, but he could sure stop them from roosting." So that's a--that's a good thing. You see? **You can't help the thoughts when they come, but don't--don't--don't entertain them; just pass it on. "No, sir. Jesus Christ is my Saviour; all things are mine by God. And I--I'm going to keep them. I'm going to testify of them."**

And God can only bless you as you confess that He has done it for you. See, He's the High Priest of our confession. Is that right? Hebrews 3. He said that He's the High Priest of our confession. **He can only do for us as we accept it, and believe it, and confess it.....**

E-35.....**remember, God will make**

your body come into your confession. If you say you're a drunkard, and want a drink. Don't worry, you'll soon be one. If you say you're a sinner, and want to sin, you'll be right into it. If you say you're a Christian and believe it all along, God will bring... **Your testimony will bring you right into it.** If you believe in healing, and believe that God has healed you, confess it, and **God will make your body obey your confession,** for He's the High Priest of your confession; setting at the right-hand of the Father now with His own Blood to make intercessions for any confession upon anything that He died for.....

71.....You go right out of this building testifying that you're saved. What if you

go out of the building saying that, "Well, I don't know." Then you're not saved. **But God will make your body obey your confession.** See? And He's the High Priest of our confession. Before you can be healed, you have to confess it first. You have to believe that you are healed.

And then when you believe you're healed, **God makes your body obey your confession.....**

I have Divine guidance, I have Divine protection,

He makes me dwell in safety, **I will lay down in peace**
and sleep,

He giveth His beloved sleep, When thou liest down thy
sleep shall be sweet
