E-29.....It's--it's mental nervousness. [The woman asks, "Should--should--should I believe when I feel like I'm dying all the time?"--Ed.] It's... See? That's... **You must believe of regardless of anything.** See? You never go to your feeling; you

"How you feeling?"

"Wonderful. Thank God for my healing," and just keep on like that, you'll get well. See what I mean? There's where you climb up over the riffles there. It's a battle. **You've got to fight 'fore you have victory. You see?**

Lord Jesus, bless this woman who I lay hands on and say to this evil spirit, "You're exposed. God rebuke thee in the Name of His Son, Christ Jesus. May you leave the woman. Come out of her and may she go and be well. God in heaven, grant this blessing, through Christ Jesus' Name. Amen.

Look. [Blank.spot.on.tape--Ed.] Raise up your feet now, say, "Thank You, Lord." Raise up my hands and say, "Thank You, Lord. Now, I'm feeling fine." See? That's just... All right. Go on off the platform. Walk on off yourself. Go on...?... stand here... Let's [Blank.spot.on.tape--Ed.]...?... God.

Sometimes evil spirits want to hold on, but if you--I... It's left to the people's faith. They have to leave in the Presence. That's true. But when they get away, they'll return. You see? If the patient can have enough faith to take it, the thing away itself, much the better. All right.

Now, kind, heavenly Father, in the Name of Thy Son Jesus, may this demon leave the woman, **and may she walk through these shadows without a fear in her heart. And she's got a gallbladder trouble, and nervous, upset, brings her to a blood pressure. And I see another man, and that's your husband. He was a Pentecostal preacher, but he's in glory. He's gone on. But he... And you're still got something in your mind. You are trying to figure out what you must do with the rest of your life. And you're trying to make a decision, and you feel that you're to go east of here, towards the eastern states, to finish your life in mission work. That's THUS SAITH THE LORD. That is true. What He said is the truth, is it? That wasn't me, that was Him. Every word true. It always is. Now go on your road rejoicing, and saying... **[Sister**
